WORK PLAN FOR OPERABLE UNIT (OU) 3 REMEDIAL INVESTIGATION (RI) – MSB-011-94

Attached please find the above referenced response to comments. These responses address Environmental Protection Agency and Colorado Department of Health comments regarding deviations from the RI work plan. Informal discussions with the agencies indicate that they are in agreement with these responses and will approve TM 1 when the responses have been formally transmitted. The matrix included with the comments is done in the format which will be used in the OU 3 RI report.

EG&G Rocky Flats, Inc. recommends that this response to comments be transmitted to the agencies. It is also recommended that the Department of Energy, Rocky Flats Office (DOE, RFO) seek formal approval of TM 1 with the understanding that the RI report will reflect these comment responses.
